A Big Crowd Out to See a Great Game Between the Cleveland League Club and the Maysvilles Yesterday.

The Cleveland hard-hitters went into the game against the local team yesterday expecting to find easy sailing, but they had not gone far before they found that that ended the run getting. Taylor they had made a big mistake and must tired the side on a fly to third. they had made a big mistake and must play the game in dead earnest.

The "Spiders" won, but it was by

narrow margin.

Knorr was on his mettle, and pitched an excellent game for Maysville. Only in one inning were the visiting sluggers who have driven many a League pitcher to drink, able to find his swift curves with any degree of success.

The local team played a far better game in the field than the visitors. Berte's fumble, which was not costly, was the only error charged up to them.

Big Mike Sullivan twirled for the visit rs, and while he didn't appear to have auch speed, his delivery was very decep-ive. Our boys were only able to solve him for six hits.

The visitors were the first to reach the rubber, which was in the fourth inning, when, on a single, two doubles and a long fly, they scored three earned runs. Burkett hit to second for a base. McKean lifted for two corners into right. Wads-worth's quick return of the ball held Burkett at third. Joe Sullivan duplicated McKean's performance by smashing one into left center for a double, and two "Spiders" trotted home. Zimmer, who had relieved McAleer at first, sacrificed Sullivan to third. He scored a moment later after Blake's long fly to left had

een caught. O'Conner was given life at first on Berte's fumble. Cuppy hit ove short for a bag, and O'Conner was throw out at third.

The locals corraled their two scores the eighth. Knorr hit to third for an out the eighth. Knorr hit to third for an out at first. Cox hit to pitcher. Sullivan threw wild to first to each him. Berte's hit to second doubled Cox at that bag. Hall hit a high fly iggto left. Burkett muffed it, Berte going to third on the error and Hall to second. Reiman pushed a single into right and Berte and Rall crosseed the palate and five husdred. Hall crossed the plate, and five hundred "rooters" yelled themselves hoarse. But
